

# **Delve: Proclaim the Good News of God in Christ through word and deed**

## **Week 3**

### Leader Sneak Peak

In today's world, we use a lot of polarizing language. The words of "us" and "them" and one side or another. But the language of God is inclusive and brings people together rather than tears them apart. When we speak about our faith we want to use language that draws people to God and community rather than pushes people away to be separate from us. The language we use to talk about our faith should bring hope.

Week 3

How to...

Imagine you are on a football field. Think about all the different parts that might be in the stadium. The players, the cheerleaders, the coaches, the fans and even the people selling Valentinos pizza! Think through the questions below and send an email to Drew or Alex about one of them. Where are you in the stadium?

Drew Jagadich - [djagadich@southwoodlutheran.org](mailto:djagadich@southwoodlutheran.org)  
Alex Riggs - [ariggs@southwoodlutheran.org](mailto:ariggs@southwoodlutheran.org)

Where would you be?

Name EVERY ROLE it takes to make a football game happen.

- Before? During? After? It's a crazy amount of people!

If you are at a football game...

- WHERE would you be? Do you have a ROLE? What would it be?

If you compared your SCHOOL LIFE to a football game, where would you be?

- Which parts do you value the most? The least?
- Where and how do you fit in with other students?

If you compared YOUTH FAITH to a football game, where would you be?

- What is your relationship with God? What is God's relationship with you?
- How is your faith lived and experienced in your daily life?
