

# *Ripple Effect*

**2021 PLEDGE CARD ENCLOSED**

**Southwood**  
Lutheran Church

**P**EEERING at a calm body of water, you may not associate it with power. And yet, something mighty can happen. Movement can start quite small in the form of a drop. A drop creates a ripple. And a ripple can create an effect that impacts the entire body of water.

Giving can work in a similar way. As individuals, our contribution creates a ripple. However, when a number of contributions are combined together they create a much larger splash.

At Southwood Lutheran, your contributions work together with other congregational members to create lasting changes within our own church, our community and the world.

## Your giving enables us to:

- 💧 Keep Southwood strong in ministry and mission.
- 💧 Offer both live and online worship experiences shared throughout the world.
- 💧 Teach the faith to children, youth and adults.
- 💧 Care for those hurting and struggling in our congregation.
- 💧 Serve those in need in Lincoln.
- 💧 Bring hope to our sister churches in Honduras and Tanzania through financial support and service.

# Ripples are all about *movement*.

Making a commitment at Southwood also generates movement. The movement can begin quite small by dropping a few bills in the offering plate. But the drop creates a ripple when you commit to regularly giving to the church. By making a weekly, monthly or annual commitment, your giving has a much larger impact.

The Giving Estimator is provided for your convenience to share the ripple effect of regular giving. We encourage your family to prayerfully consider how you wish to make a ripple effect within Southwood throughout 2021.

A sunset over a body of water with reeds, with a wooden deck in the foreground. The sun is low on the horizon, casting a golden glow across the sky and reflecting on the water. The reeds are silhouetted against the bright light. The wooden deck is in the foreground, showing the grain of the wood and some knots.
